Subject: ***Upcoming Engineering Week Celebration***

We are pleased to announce that the College of Engineering will be hosting its annual Engineering Week Celebration from March 10–14, 2026. The event will feature technical workshops, quiz competitions, project exhibits, and a career networking session with industry partners.

All engineering students are encouraged to participate in the activities and showcase their innovative ideas and talents. Registration details and the full schedule of events will be shared through your department representatives and official communication channels.

For inquiries, please contact the Student Council office or email us at engg.council@university.edu

.

Sincerely,
College of Engineering – Student Council
