PROJECT PROPOSAL

Project Organizer: College Student Council (CSC)

Support: College of Engineering

Project Title: Project LEAD: Leadership Enhancement and Development Program

Lead Facilitator: Ms. Andrea M. Villanueva, LPT

Rationale: Student leaders play a vital role in promoting academic excellence, student welfare, and campus engagement. However, many student officers lack formal training in leadership, communication, and organizational management. Project LEAD is designed to address these gaps by equipping student leaders with essential skills, values, and strategies needed to lead effectively and responsibly within the university and beyond.

Objectives: To enhance leadership, communication, and decision-making skills of student leaders.

- To promote teamwork, ethical leadership, and accountability among student organizations.
- To prepare student leaders for effective planning and implementation of student-led activities.

Intended Learning Outcomes:

- Demonstrate improved leadership and communication skills
- Apply ethical decision-making in organizational contexts
- Collaborate effectively with peers in team-based activities
- Develop action plans for student organization initiatives
